Symptom

Wrong/impossible serial number Senseo

Cure

INFO:

We have seen rare cases in Senseo where the Serial number is printed wrong on the Typelabel. The Year/Week code indicated is impossible (for instance 4045)

Known cases:

- Senseo Quadrante
HD7860/82 40455 71 should be 10455 71
HD7860/10 40485 71 should be 10485 71
- Senseo Twist
HD7870/60 13361 11 should be 12361 11
