the new spare part 12NC is

Pos	New 12NC	Description
25	9965 100 70035	BOWL ASSY

**Attention:**

Because this change was not quality improvement, please use the old stocks up. But the old parts and the new one are not interchangeable. The new old can replace the old ones. If repair center order one of the old three parts, they must make sure that they have the other two old spare parts, or they must order the three old parts together.
