Symptom

Aqua Prima filter still available for some Espresso lines

Cure

INFO:

Espresso products lines, that require the old Aqua Prima filter, are Vienna, Spidem Villa and Spidem Trevi.

CURE:

The Aqua Prima filter is available for mentioned product lines under the part code 223070200 (1 piece per package).
In other espresso product lines must be used the Brita filter, that can be ordered under part code 21001405 (package of 36 pieces).
