

Service information

Reference no.: SDA_95202

Symptom

During coffee production the grounds container sliding out in the Odea machines.

Cure

INFO:
During coffee production the grounds container sliding out (image 1).

CURE:
Up to TW901230318939 replace the old ground container with new ground container, use the following table and group list to find out the correct "New part code".

	Old cod.	New cod.
Group A:	11009144	11030324
Group B:	11013875	11030326
Group C:	11004392	11030327
Group D:	11010713	11030323
